Middletown, CT 06457

jbechtel@stanfieldbechtel.com

Dear Jonathan,

On behalf of Pro Bono Partnership, our Board of Directors, and the many nonprofit organizations that we serve, we wanted to let you know that Elke and Craig Kulas made a donation in your honor on behalf of StrokeOT with the following message: "Many thanks to Jonathan Bechtel for his helpful guidance on StrokeOT employment matters."

The Partnership relies on donations to provide much-needed pro bono legal counsel, educational resources and a Legal Resource Helpline to community nonprofits in New York, New Jersey and Connecticut, so that they do not have to choose between the expense of expert legal guidance and the cost to support their programs.

Counsel provided to our nonprofit clients from attorneys like you helps local nonprofit organizations confronting entrenched social issues navigate ever-changing regulatory frameworks and requirements. We appreciate your support as we strive to help all nonprofit organizations remain in compliance with the law and address their diverse business legal needs.

Thank you again for inspiring this donation to Pro Bono Partnership.

Warmly,

A handwritten signature in blue ink that reads "Heidi Siesfeld".
